

## Unleaded Fuels

### Sunoco 260 GT

(New Name – Formerly Sunoco GT Unleaded)

Sunoco 260 GT™ is a street legal, unleaded gasoline designed for high performance street cars, muscle cars, classics, street rods, motorcycles, karts and marine applications. With a 100 octane rating, Sunoco 260 GT will allow significantly increased boost levels in supercharged or turbocharged applications. Sunoco 260 GT contains no metallic compounds to harm catalytic converters or oxygen sensors. It contains a comprehensive additive package for greater engine protection and reduced fuel system deposits. Sunoco 260 GT is also compatible with virtually all two-stroke synthetic and mineral based motor oils.
