

Sunoco Standard

Sunoco's all-purpose leaded racing fuel with a winning heritage, Sunoco Standard™ provides quality, performance, and consistency for ease of tuning. It is ideal for virtually all forms of motorsports, including circle track, drag, motorcycle, road racing, off-shore powerboat and off-road. It also features a broad range additive package for protection from oxidation, corrosion and deposit formation. Sunoco Standard is designed for competition engines with compression ratios up to 13:1.
